

Preshow Feature of **Fastener Poland** and **Fastener Fair Mexico** 2023

波蘭螺絲展

**FASTENER
POLAND®**

fastenerpoland.pl/en

18th-19th October 2023

The current year is undoubtedly a period full of challenges for the fastener industry. The complicated political and economic situation, problems related to supply chains and the progressive slowdown on the construction market mean that entrepreneurs once again have to face various challenges. However, industry reports show that despite the difficulties, the industry has a chance for further development, and in the long run, entrepreneurs will be able to turn the current turmoil into profit. It is worth remembering and planning participation in the 6th

edition of the FASTENER POLAND® International Trade Fair for Fastener and Fixing Technology, which will take place on October 18-19, invariably at EXPO Krakow.

Exhibitors and visitors from over a dozen of countries, industry news and premieres, many hours of talks, expert conferences, B2B meetings - this is what the FASTENER POLAND® Trade Fair in Krakow looked like last year. As many as 65% of the exhibitors came from abroad. This year's edition promises to be equally good, as the participation of exhibitors has already been confirmed, e.g. from: Czech Republic, Sweden, Germany, Turkey, Switzerland, Malta, Italy, Hungary, China, Vietnam and Taiwan. The international nature of the event only emphasizes how important trade fair meetings are for the entire industry. And although the fair is an investment, which, especially in difficult times, may seem like a significant burden on the company's budget, its

effects are often visible several months after the end of the event. We know this from our regular exhibitors who return to EXPO Krakow every year to present their offer. Therefore, we encourage you to plan your participation in this year's edition of FASTENER POLAND® Trade Fair now. This gives you the opportunity to choose an attractive booth location and take advantage of additional, free forms of promotion.

The FASTENER POLAND® Trade Fair is the only international fair of fasteners organized in Central and Eastern Europe. The scope of the exhibition includes, among others: the most modern industrial fasteners and fixing (from bolts to nuts, clamps and rings); building fasteners (anchors, concrete screws, fastening of facades and insulation); advanced assembly and installation systems, as well as technologies for the production of fasteners and devices for their storage and distribution.

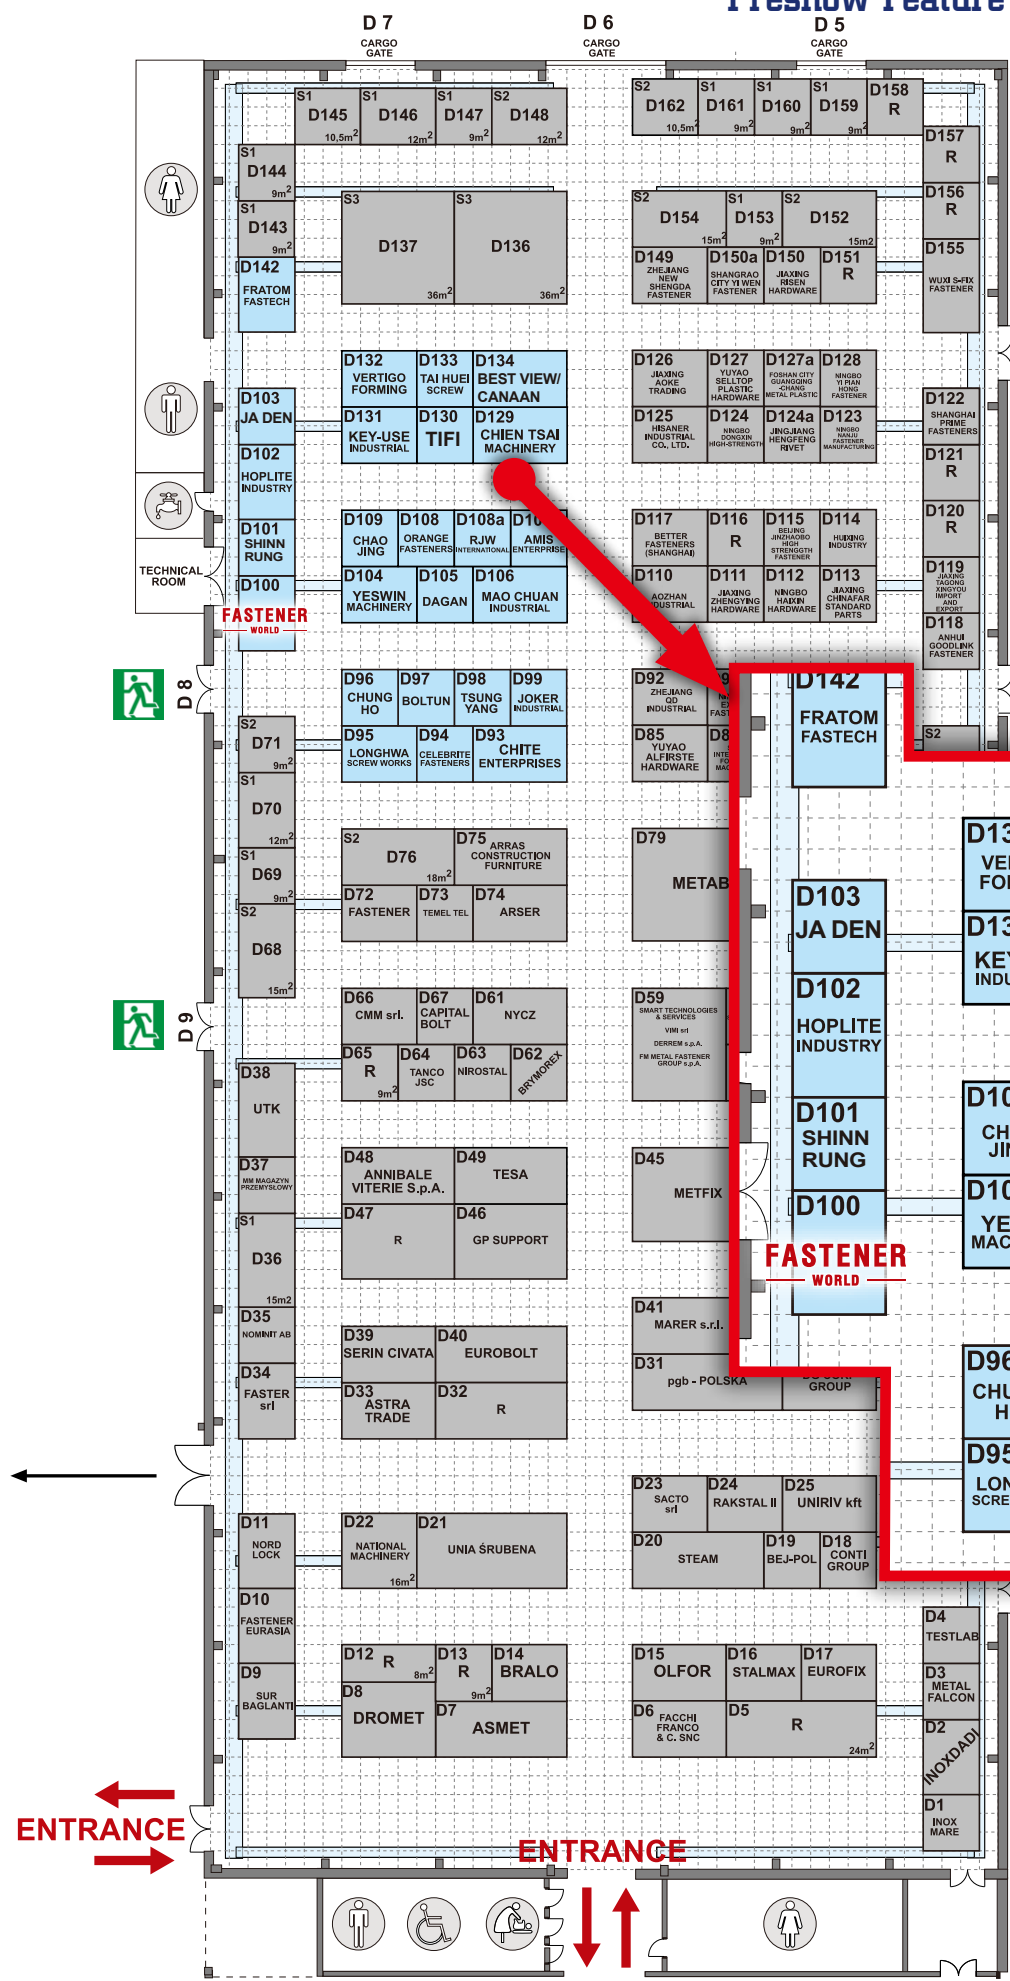

The 6th edition of the FASTENER POLAND® Trade Fair promises to be very good. After 3 years of travel difficulties, this year's participation in the fair is confirmed by exhibitors and guests from the farthest corners of the world. The list of exhibitors is now available at www.fastenerpoland.pl/en. We also invite you to follow the trade fair profiles in social media, where we publish industry news on an ongoing basis and reveal what our exhibitors will present at their stands this year. For those interested in visiting the fair, we have prepared a pool of free admission tickets. To receive them, just complete a short form available on the fair website.

Taiwan agent:

FASTENER WORLD

www.fastener-world.com

foreign@fastener-world.com.tw

Welcome to booth D100

Our publication has a circulation of over 10,000 printed copies per issue sent to more than 200 countries and we participate in at least 25 int'l trade shows per year. We are also the exclusive sales agent in Taiwan for Fastener Fair Global, Fastener Fair India, Fastener Fair Mexico, Fastener Fair Turkey, International Fastener Expo, Fastener Poland, etc. We continue to reinforce our service range, add more software/hardware investment, and create more solid competitiveness on the market for customers with the best service quality.

For more info, please visit our website at www.fastener-world.com

D93

CHITE ENTERPRISES CO., LTD. 尚余企業股份有限公司

✉ chite@chite.com.tw

www.chite.com.tw

Chite Enterprises Co., Ltd, specializes in various fastener products (screws, bolts, nuts as per standards and drawings), exporting fasteners to over 80 countries. We have factories and branch offices in Taiwan, Vietnam and China, providing customers with different options in purchasing and with below advantages.

- *With our manufacturing experience and various sources, we provide a wide range of fastener with high quality and competitive prices.
- *CE certificate of EN 14566 and EN 14592
- *TAF certified QC lab test before each shipment

In order to meet market demand, Chite is dedicated to the supply of solar parts, including solar panels, solar brackets, bolts, nuts & bi-metal screws (sharp point). We provide a wide range of fasteners with high quality and competitive prices.

D94

CELEBRITE FASTENERS CO., LTD. 曜維貿易有限公司

✉ jcsales@celebritefasteners.com

www.celebritefasteners.com

Celebrite Fasteners Co., Ltd. was established in Taiwan in 2013. We sell various screws, bolts, etc. We are a manufacturing company with a purpose to specialize in manufacturing self drilling screws, tapping screws & patented wing tek screw assembly BAZ washers. Our products are made in Taiwan and we use all materials from China Steel Corp. and are certified to ISO9001 and CE. To customize screws based on your needs is available.

We are a professional self-drilling screws & self-tapping screws manufacturer. Our various self-drilling screws & self-tapping screws with indent hex washer head, pan head or flat head have been provided to the world since 2001. Standards: DIN 7504, 7981, 7982.

D95

LONGHWA SCREW WORKS CO., LTD.

隆華螺絲工廠股份有限公司 www.long-hwa.com.tw

✉ longhwa.putz@msa.hinet.net

Established in 1988, Long Hwa specializes in making long-size screws for chipboard screws, self-drilling screws, concrete screws and distance screws and has been certified by CE 14566 & 14592 and ETA.

Our products include chipboard screws: M6~12 (80~1000mm), self-drilling screws: M7.0/6.3 (80~400mm), M6.3/5.5 (80~400mm), concrete screws: M7.5 (42~402mm), distance screws: M6 (50~160mm).

D96

CHUNG HO ENTERPRISE CO., LTD. 鍾和企業有限公司

✉ jensonyeh@chungho.com.tw www.chungho.com.tw

CHUNGHO FASTENER is a professional fastener supplier in Taiwan, adept at producing special screws. With 40 years of experience, we not only manufacture screws but also create trust and satisfaction. Our mission is to solve customers' difficulties in finding fasteners, enabling them to focus on design and production. We provide reasonably priced, high-quality products with stable delivery times. We will be your best partner. Our company specializes in mechanical and construction-related screws. We cater to a diverse range of industries, including motors, machinery, machine tools, sports equipment, bicycles, and electric vehicles. Our product line includes mechanical screws, hexagon socket screws, locking nuts, pressed fasteners, pins and keys. Additionally, we excel in handling special screws, and 40 years of experience have given us excellent processing capabilities.

D97

BOLTUN CORPORATION 恒耀工業股份有限公司

✉ sales@boltun.com.tw www.boltun.com

Boltun is one of the leading manufacturers in metal parts for industrial use in Taiwan, providing a wide range of products from automotive fasteners and components, stamping parts, to wind turbine fasteners. Established in 1988 in Taiwan, Boltun has invested in-house production including forming, tapping, stamping, CNC machining, heat treatment, washing, assembling, and automatic packing. Boltun is also accredited with a number of certificates such as IATF 16949, ISO 9001 and ISO 14001, and ISO-17025 to cover most of the quality testing in house. Our products include welding bolts/nuts, rivet nuts, clinch nuts, T-nuts, nylon insert nuts, and conical washer nuts, special parts, hex. bolts & screws, flange bolts, clinch bolts, T C bolts, bushes, sleeves, stamping parts, CNC machined parts, wind turbine fastener kits: nuts, bolts & washers and truck wheel bolts.

D98

TSUNG YANG INTERNATIONAL CO., LTD.

宗揚國際有限公司 www.tsung-yang.com.tw

✉ Tsung-Yang@hibox.hinet.net

We are a professional exporter in fastener trading in Taiwan and our goods enjoy a high reputation for excellent quality. We have been engaged in this field for 15 years and have good connections with local manufacturers. We are specialized in producing and exporting screws, bolts and washers to overseas customers. We provide the most competitive prices, stable quality and excellent service to our customers.

D99

JOKER INDUSTRIAL CO., LTD. 久可工業股份有限公司

✉ info@joker.com.tw

www.joker-fastener.com

JOKER is a renowned Taiwanese company established in 1984. Being initially an OEM manufacturer, JOKER has evolved into a leading developer and manufacturer of construction anchors and industrial fasteners. One of JOKER's patent Sissy Stud Concrete screw is approved ETA option1 directly from EOTA, getting the number ETA-14/0374. JOKER is well-known for its trustworthy quality and reliable partner. JOKER as a professional fastener manufacturer, this year, we bring two news to the market. We launched an excellent performance of stainless steel concrete screw which has been assessed by ETA, and is a solution that delivers unparalleled strength and durability and also offers exceptional resistance to corrosion and rust. In addition, we also passed the IATF 16949 certification, which ensures compliance with quality standards in the automotive industry.

D102

HOPLITE INDUSTRY CO., LTD. 合利國際股份有限公司

✉ hoplite.ind@msa.hinet.net

www.hoplite.com.tw

Hoplite Industry Co., Ltd. is a company specialized in supplying screws, nuts and tools in building, electronic, automotive and general industries areas. Being in the business for 23 years, Hoplite has been successfully collaborating with European companies, a win-win cooperation good for involved parties. Meeting customers' needs has always been our main focus. Hoplite distinguishes itself through excellent product quality, customer-oriented service and sound advice. Our full hand concept of products and solid solutions creates value for You!

D103

JA DEN ENTERPRISE CORP., LTD. 榮登企業有限公司

✉ jaden1071022@gmail.com

www.fastener-world.com/en/supplier/jaden

Jaden Co., Ltd. was established in 2018, mainly specializing in all kinds of drill end screws, wood screws and composite screws, and has its own factory for production and manufacturing.

D104

YESWIN MACHINERY CO., LTD. 友信機械股份有限公司

✉ yeswin@twyeswin.com

www.twyeswin.com

Yeswin Machinery is a professional manufacturer of cold forging machines for bolts, nuts, various kinds of fastening parts and fixing elements. We provide Bolt Formers with 3-5 stations and Parts Formers with 5-7 stations. Our machines cover a wide range of sizes from M3 up to M30, with the maximum length up to 400mm. The applicable processing materials are stainless steel, low-carbon steel, copper, low alloy steel, aluminum alloy, etc.

D105

DAGAN INTERNATIONAL CO., LTD. 美達斯企業有限公司

✉ dagannet@ms8.hinet.net www.dagan.com.tw

Marketing for- 1. Multi station cold forming machines: bolt former/nut former 2. Flat die thread rolling machine/dual roller rolling machine 3. Nut tapping machine 4. Single die two blow heading machine 5. Washer assembly machine 6. Nut crimping machine 7. Nylon nuts assembly machine 8. Auto lathe (drilling, tapping, machining, chamfering, slotting) 9. Screw shank slotting machine 10. Self pointing screw pointing machine 11. Customized device 12. De-oiling machine 13. Conveyors 14. Vibrator 15. Heat treatment furnace 16. Plating line 17. Wire drawing machine 18. Cold forming toolings (dies, punches, pins, transfer fingers, trimming dies, self screw pointing dies, cutters, nut taps, threading dies, drawing dies 19. Machine parts.

D106

MAO CHUAN INDUSTRIAL CO., LTD. 貿詮實業有限公司

✉ maochuan@maochuan.com.tw www.maochuan.com.tw

MAO CHUAN is a professional stampings manufacturer in Taiwan and has more than 50 years of experiences in O.E.M for the automotive, electronic, and construction industries. MAO CHUAN is qualified with ISO9001, IATF16949, ISO14001 and VDA 6.1. With seasoned skills and a great activity in the stamping field, MAO CHUAN supplies diversified essential materials, surface finishes, and integrated treatments to satisfy individual client requirements and applications. MAO CHUAN provides customized products with the most comprehensive services to integrate the entire production process, which is a single point of contact from design prototyping, assembling, and final sale packing. MAO CHUAN has contributed to the ESG program management. In 2023, we have completed the verification according to ISO 14064-3:2019, and meet the standard requirements of ISO 14064-1 : 2018.

D107

AMIS ENTERPRISE CO., LTD. 赫晉興業有限公司

✉ service@amis-world.com www.amis-world.com

AMIS collaborates with professional manufacturers located in Kaohsiung, Taiwan. We own advantages of well, complete and experienced supply chain in Kaohsiung area and can provide you with high quality products at competitive prices. AMIS gathers experienced people who can help you solve the problems you may have when working with fasteners. Please feel free to contact us immediately for our professional service.

We offer sandwich panel screws with drilling points from no. 3 to no. 10 with the capacity of drilling a 25mm thick steel plate, and high quality drywall screws that can drill a 0.6mm thick steel plate within 0.5 sec. We also offer special multi-formed parts as per customer's drawings.

D108

ORANGE FASTENERS 橙品工業股份有限公司

✉ dennis.chou@orangefasteners.com.tw www.orangefasteners.com.tw

Integrated fastener solution / Manufacturing / Engineering / Quality / Sourcing.

IATF 16949:2016.

The Orange solution for your special problems.

D108a

RJW INTERNATIONAL CO., LTD. 羅傑威國際有限公司

✉ teacbow@gmail.com www.rjwfastener.com

RJW International Co., Ltd. established in 2021 is located in Tainan, Taiwan. We have for long supplied and developed for the automotive industry, OEM distribution, building for steel structures, wooden construction houses and DIY market for large chain stores. Screws with customer's drawings and standard products are also available.

Our main business is supplying construction screws such as drywall, chipboard, self-drilling, decking, concrete, collated, OEM screws and automotive or industrial parts to the oversea market.

D109

CHAO JING PRECISE MACHINES ENTERPRISE CO., LTD. 朝璟精機有限公司

✉ jw.zw@msa.hinet.net www.chaojing.com.tw

Chao Jing Precise Machines Enterprise Co., Ltd. shows spirit towards innovative technology and offers excellent quality of core competencies to serve customers around the world. We provide the most sophisticated fasteners and the most reasonable prices of products. The "customer and quality first" policy has been implemented in our operation. With several years of industry experience and continuous R&D we then moved toward higher-value products and hi-tech product development. Our principle of profit sharing with our customers helps meet customer demand. Facing the future, we will continue to be in line with the original spirit of service to serve the public. Going toward internationalization and diversification will help us reach the top of the international reputation.

D129

CHIEN TSAI MACHINERY ENTERPRISE CO., LTD. 鍵財機械企業股份有限公司

✉ jiancai@jiancai.com.tw www.jiancai.com.tw

Chien Tsai Machinery was founded in Taiwan in 1973. Main products are thread rolling machines for screws of the diameter from 1.0mm to 38.0mm and the thread length up to 600mm. Products are exported globally around the world like Europe, Asia, America. Chien Tsai expanded our scale in 2017, acquiring another 30 acres of land in Jiashan, China and establishing Zhejiang Jiancai Machinery Co., Ltd. Our company has passed the ISO9001, ISO14001, and ISO45001 certification. The feature of Automatic Thread Rolling High Speed Machine: CTR8N-4, Product Range: M5-M8, Screw length: 75-100mm, Thread Length: 50-75mm, Rolling dies stationary length: 127/140/25, Main Power: 10HP, Max. Output: 110-350 pcs/min.

D130

TAIWAN INDUSTRIAL FASTENERS INSTITUTE 台灣螺絲工業同業公會

✉ tifi.tw@msa.hinet.net www.fasteners.org.tw
